

Communicating Contentious Issues with a Concerned Public - Focus on Biotechnology

Dr. Kevin M. Folta
Professor and Chairman
Horticultural Sciences Department
University of Florida

Monday, April 3, 2017
1 - 3 PM

University of Connecticut, Dodd Konover Auditorium

Dr. Folta has been involved with various aspects of science communication, with a particular emphasis on biotechnology. You can learn more about Dr. Folta's communication outreach on his podcast series, Talking Biotech (talkingbiotechpodcast.com), and on his blog (kfolta.blogspot.com) or follow him on Twitter @kevinfolta .

Please contact Julia Kuzovkina (jkuzovkina@uconn.edu) or Gerry Berkowitz (gerald.berkowitz@uconn.edu) with questions about the event.

Parking is available in the South parking garage.

Sponsored by: **UConn Early College Experience &
Department of Plant Science and Landscape**
